Dear Volunteer

I am writing to thank you for your important contribution as part of Uttlesford's response to support those who needed it most during this crisis.

Your kindness and dedication has benefitted some of the most vulnerable members of our communities and your help during one of the most worrying and troubling times will have a long-term impact that is immeasurable.

Following my conversation with Clive Emmett, the Chief Executive of CVSU, I heard some extraordinary examples of the type of support volunteers like you have given and as the local MP I feel fortunate to represent our constituency.

The past few months have been some of the most challenging we have faced collectively and without your help, we certainly would not be in the position we are now.

Thank you and I look forward to hearing more from you and our local volunteers in the future.

Yours sincerely

Kemi Badenoch MP
